Dear Friend,

Happy New Year and thank you for all of your support in 1987.

1988 is going to be very special. It is the year of the Olympics. Our very best athletes will be competing against other great athletes from all over the world in events such as Decathlon, Basketball, Skiing, Hockey, plus many others.

Why should you miss out on any of the action and excitement of Olympic competition? Set up contests of your own with family, friends, and neighbors!

INTV has developed a new and exciting line of games — The Super Pro Sports Series — which includes some of the most challenging sports titles ever! These games are especially for you — the serious player who wishes to meet the challenges and get many hours of enjoyment from doing so.

Of course, you'll also find our many Arcade hits and Classic video games which will add endless variety to your Intellivision fun!

With this catalog we hope we've captured the excitement and spirit of the Olympic Games for you, your family, and friends.

As usual, when you page through this catalog you will find many great surprises, including FREE Sports Watches and FREE games with purchases. Again, have a happy and healthy 1988.

Sincerely,

John Corzine

# POLE POSITION

Take the controls and wait for the green light. 3...2...1...YOU'RE OFF! Your engine roars! Shift into high, weave through the pack, and pull out into the open! A tight curve! Tires scream! You start to skid — and another car is right in front of you! Swerve onto the grass, race ahead, then back onto the track just before smashing into a road sign! Gun it — seconds count — and you're across the finish line in record time! But that was just the qualifying lap...

- Exciting point-of-view graphics, realistic sound-effects, and non-stop action put YOU on the racetrack!
- Four different courses to challenge you!
- Run a qualifying lap to earn a starting position in the big race! Run the lap fast enough and earn the Pole Position!
- Fast reflexes and faster wits are needed to pass computer-controlled racers!
- The competition gets tougher the better you get!
- All the thrills of the arcade classic!
